## ABOUT US

We are a **direct manufacturer** of **plug-and-play** fluid delivery products for power injector systems used in CT, MRI and Angiographic procedures.

Our Products are **inspired by clinicians for clinicians** for an intuitive user experience and are designed with input from clinicians to enhance usability and ensure a positive, reliable, trusted, and consistent user experience.

We are committed to manufacturing best practices and supply chain excellence to provide you with the excellent **quality, customer experience**, and **value** for safe and reliable care.

Our products are designed with a commitment to quality, without compromise.

SMP syringes and tubing are designed for use with the market's leading power injectors, including **Medrad, Mallinckrodt Liebel Flarsheim, Bracco, Nemoto, Medtron, Ulrich** for CT, MRI, and Angiographic procedures.

We take great pride in and are committed to delivering the **best customer support** in the industry.

We provide a **warranty** on all our products.
